

Aramark @ The Archdiocese of Chicago

The following is a list of items that Aramark uses at FSP schools that contain common food allergens. This list may not be complete. There is always a risk of contamination, and these manufacturers of the foods we use could change the formulation at any time, without notice. Aramark cannot guarantee the accuracy of any of the information contained herein. The information contained in this list is not intended as a substitute for advice from your physician or other healthcare professional or for any information contained on or in any product label, packaging or insert. You should not use the information herein for the diagnosis or treatment of any health problem, condition or ailment. Individuals concerned with food allergies must be aware of this risk. FSP and Aramark will not assume any liability for adverse reactions to foods consumed, or items with which one may come into contact while eating at any school district establishment. Families of students with food allergies or those wishing to see additional information are encouraged to contact the registered dietitian.
