Screen Free Week
 Monday, May 3rd to Sunday, May 9th

Other than using devices for work or school, celebrate screen-free week by unplugging from digital entertainment! This annual, international celebration promotes reading, playing, thinking, creating, getting active, and spending more time with family and friends instead of watching TV, surfing the web, or playing with apps and video games. How are you going to celebrate screen-free week?

 **What type of bee can't make up its mind?**

A may-bee.
