- Nutrition and Allergen Information available at: <http://www/fspro.com/nutrition.html>

Health & Wellness Message-Let's Give Everyone a Clean Hand

Did you know that hands are the single most important way all types of infections are transmitted? Hand washing with warm water and soap is one of the best ways to combat the problem. Lather up for about as long as it takes to sing "Happy Birthday" twice. Rinse well and dry with a clean or disposable towel or air dryer. Help to prevent the spread of germs that make you sick.
